Cadiz, Spain 19 Dec 67

Dear Harold:

Setting here in my Hotel Suite, which is in a National-Parador, or Spanish-Government operated Hotel, I am forced to write to you because I have seen neither hair-nor-hide of any news of the New Orleans trial, and the consequent details in the Press, here. Surprisingly, here in Spain, all the newspapers and periodicals of the world are obtainable at the local-newsstand.

Franco knows that most Spaniards cannot read anything but Spanish; And, with Castilian twist, such as Cadiz is CADITH.

In fact, it is in this very same Suite where I am writing to you now that King Alfonso of Spain, in '31 stayed, and with the Alcalde (mayor) of Cadiz announced to the people of Spain that they shouldn't worry any more. And that everybody in Spain should be happy that the King, Alfonso, was here, in Cadiz.

And, there are Photos here in this Suite, and throughout this Hotel Atlantico, wherein the King (in 1930) was reassuring, and re-announcing, whatever.

6 years later, Franco kicked the King out of

Spain; and the moral of this Story is:

(1) the people want to know what is happening, there, in New Orleans.

(2) It is an election-year; Harold, you cannot relegate people like Jack Kennedy to a Bowery-Bum's interment.

Incidentally, Harold, (and forgive-me for asking, but, just how do you know how a Bowery-Bum is treated, interred, and buried?),

(3.) Would you write to me, in care of my Sister, in N.Y.C. and advise how-in-the-hell some truth can come-out of the marvellous work that you have done? the address is as follows:

CARL SCHREIBER
1791 WALTON AVENUE
NYC, NY, (APT 6A)
U.S.A.

(4.) Your mail will be forwarded to me, immediately And I leave here Cadiz, Jan 10th, by Spanish-Ship for South-America, Central America thence to Vera Cruz, Mexico, and ~~then~~ then to New Mexico, March or April.

HOTEL ATLANTICO

Sincerely

Carl

P.S. (Seriously)

Harold, you really should try to get the facts of the Assassination known and clear to the American People.

As time goes by, and even after 6 months, from any fact, people tend to forget and those, fortunately with memory believe they remember what they have been told.

Fortunately, you, Harold, have set it down, in writing, and even more fortunately, published it.

Now, what is to be done? Certainly, we cannot let it rest, as is.

Carl
